

PENCILLETTER.

City Council to-night.  
The new colored band was out on a serenading tour last night.

Chattanooga is to have an evening daily paper, called the *News-Chronicle*.  
S. H. Allen was robbed of \$20 by J. B. Clain, at Chattanooga, on Tuesday.  
The immortal "ten" and "six" will look horns again to-night in the City Council.

The jury is still out on the Jinks hog stealing case which was taken up in the Criminal Court Wednesday.  
A young boy was killed at Rockwood last Saturday by a car in which he was riding jumping the track and turning over on him.

The action of the new Board of Mayor and Aldermen at their regular meeting to-night, is looked forward to with much interest.

Two young men of Grayson county, Virginia, Wyllie Hill and Tom Patton, got into a row at a shooting match, and the former was stabbed to death.

The members of the new police force have had a quiet time since they entered upon their duties. Scarcely an arrest of any consequence has been made.

Michael Foley is retained by the present administration of city affairs as janitor at the City Hall and Market House. Uncle Mike makes a faithful and efficient janitor.

A fellow feels very much like shivering his winter flannels under the oppressiveness of this weather, but it had best be borne awhile. No telling what may come yet.

Farmers, Attention! We will have 25 car loads of Land Plaster on hand and for sale. Call early before the supply is exhausted. W. W. Woodruff & Co.

The Tennessee Historical Society has opened a correspondence to find out what an equestrian statue of Jackson will cost. The statue is to be placed in the capitol.

A Memphis policeman while pursuing a fleeing thief, Monday night, fired at him, the ball striking him in the foot and glancing up from the pavement lodged in the thigh of a negro woman.

They say there is no advance on Oliver Chilled Pows. The farmers ought to lay in their supply before the advance, which is sure to come. Woodruff & Co. keep a large stock.

The Governor has pardoned Robert Wilson, of Middle Tennessee, who was in the penitentiary for ten years for robbery, on the conditions that he abstains from intoxicating drink and supports his mother.

Wytheville (Va.) Enterprise: "A bear weighing 500 pounds was killed some days since on White Top Mountain, in Grayson county, by Mr. Steve Dickey. A brain of such weight is not often killed."

There seems to be a growing belief that Daniel Deen, who was hanged in Estelville, Va., on the 19th of December, for the murder of Fugate, was innocent of the deed. He was convicted on circumstantial evidence.

A lady living near Telford's attempted to commit suicide the other day. She was deranged and required close watching. Escaping through from her keepers, she was found in an out-house with a great gash in her throat. It is thought she will recover.

Kingston East Tennessee: "Some parties are prospecting for iron ore on the Manis place, a few miles below town, with some success, a good article of brown hematite ore being found. It is yet to be ascertained whether it exists in sufficient quantity to make the find valuable."

Geo. W. Herderlite, a prominent Virginia Republican and Treasurer of Smyth county for two terms, during a fit of mental aberration, leaped from a window in the third story of the Metropolitan Hotel, Washington, and was dashed to pieces on the pavement below.

Attention is directed to the announcement elsewhere of the sociable to be given by the ladies of the Second Presbyterian Church in their Chapel parlors to-night. It will no doubt be an elegant and refined affair, and we bespeak for them a large attendance. Refreshments will be served in fine style.

We understand that in the Maryville Circuit Court Wednesday, Judge Young presiding, by interchange with Judge Rodgers, the case of arson against Allen Garner, Esq., a former Justice of the Peace, who is charged with burning Blount county's court house, was heard, but the jury was out on the case over Wednesday night.

It is a fact that is perhaps not generally known that ice is now being shipped to Knoxville from Atlanta, Georgia, where it was manufactured. Mr. Kern, who uses it in his confectionery business at all seasons, has been getting his ice from there since Christmas. Our ice factory men would do well to prepare themselves during the next season against a repetition. It oughtn't to be true, but then the absence of any native ice at all during most of the winter was hardly anticipated.

Furniture sale Saturday morning at 11 o'clock. Will also sell at same time for and on account of whom it may concern, three fine second-hand Gold Watches, Tables, Chairs, Bureaus, Mattresses, etc. E. A. AKERS, Auctioneer.

The "Hinton Murder Trial."

Our information from Clinton is that four speeches were made, Wednesday, in the great Shipes and Queener murder trial. Attorney General Mitchell opened, was followed by Gen. Wm. Cullum for the defense, Jas. N. Ray for the State, and Sam Epps Young for the defense.

Hon. O. P. Temple, was to speak first, yesterday morning, for the State, to be followed, perhaps, by Messrs. Geo. Washington and H. B. Gibson, and the case will be closed by Col. W. A. Henderson for the State. The argument would hardly be concluded yesterday, it was thought.

Don't Trifle with the Teeth!

If our teeth were renewed as are our nails, they might not need constant care. But teeth don't repeat themselves after childhood. The proper thing to do is to use SOZODONT, which preserves their health and beauty. It never fails.

Answer This.

Did you ever know any person to be ill, without indication of the Stomach, Liver or Kidneys, did you ever know one who was well when either was obstructed or inactive; and did you ever know or hear of any case of the kind that Hop Bitters would not cure?—Ask your neighbor this same question.

Accident at Philadelphia.

A postal card received by James A. Compton, from his brother-in-law, Henry Peters, who is owner of the Coxart flouring mill at Philadelphia, Tennessee, brings the sad information that Peter's little boy, Charley, a bright and interesting boy, about 11 years of age, got caught in the mill, Wednesday, had his clothes all torn off, and was very badly hurt, so that it was uncertain whether he could ever get over it. The little boy's brother, William, who is a tinner in this city, went home on last night's freight.
